

PUBLIC NOTICE
 THE IOWA DEPARTMENT OF NATURAL RESOURCES
 is proposing to issue a
 Title V Operating Permit Modification
 to
 Winnebago Industries - Hampton
 (35-01-010)
 in
 Hampton, Iowa
 in
 Franklin County

Notice is hereby given that the Iowa Department of Natural Resources (IDNR) has under review a Title V Operating Permit application submitted by:

Winnebago Industries
 1280 Olive Avenue, P.O. Box 152
 Hampton, Iowa 50436

to operate their existing:

Motor Home Parts Manufacturing facility

located in Hampton, Iowa.

This facility is considered a major stationary source under 40 Code of Federal Regulations (CFR) Part 70 definitions as the annual potential emissions exceed the thresholds outlined, as adopted by the Department by reference, 567 Iowa Administrative Code (IAC) Chapter 22. The following air pollutants or contaminants will/may be emitted:

<u>Pollutant</u>	<u>Pollutant</u>	<u>Potential Emissions</u> (Tons per Year)
Particulate Matter	PM	35.79
Particulate Matter ($\leq 10 \mu\text{m}$)	PM ₁₀	22.59
Sulfur Dioxide	SO ₂	N/A
Nitrogen Oxides	NO _x	N/A
Volatile Organic Compounds	VOC	193.9
Carbon Monoxide	CO	N/A
Lead	Lead	N/A
Hazardous Air Pollutants	HAPs	181.802 ¹

This facility is in compliance with all applicable requirements.

Based upon the information provided in the Title V Operating Permit application, the IDNR has preliminarily determined that the facility meets all the applicable criteria for the issuance of a Significant Modification to the existing Title V operating permit as specified in 567 IAC 22.113.

¹ Included in the VOC total above.

A copy of the Fact Sheet (which describes the facility and summarizes the permit review) and a copy of the draft Modified Title V Operating Permit are available for public inspection at the:

Hampton Public Library
4 Federal Street
Hampton, Iowa 504416
(641) 456-4451
Mon & Thur 10:00am - 5:30pm
Tues & Wed 10:00am – 8:00pm
Fri and Sat 10:00am – 3:00pm

A complete record of the permit review, including the permit application and the proposed permit is available for public inspection at the:

Iowa Department of Natural Resources
Air Quality Bureau
7900 Hickman Rd., Suite 1
Urbandale, Iowa 50322
Monday thru Friday, 8:00am - 4:30pm

Anyone may submit written signed comments on the draft permit from today's date through November 25, 2006. A request for a public hearing shall be in writing and shall state the person's interest in the subject matter and the nature of issues proposed to be raised at the hearing. The IDNR shall hold a public hearing upon finding, on the basis of requests, a significant degree of relevant public interest in the draft modified permit. Mail signed requests for a hearing to the DNR contact person address listed below.

After November 24, 2006, the close of the public comment period, the IDNR will make a final decision on the permit application. Response to all significant comments will be made prior to the final decision. Both the responsiveness summary and the final permit will be made available to members of the public upon request.

For additional information or for a copy of the draft modified permit or fact sheet contact:
